Assessor Comments	Excellent line Aussie white ewe lambs with plenty of weight for age. This is an excellent line of Australian white ewe lambs that are full of quality. They are out of, large frame long bodied deep ewes by top grade highveld rams. These young ewes are excellent weights for their age are very mature. Lambs are true to type with very good shedding characteristics. Vendor has been breeding Australian white ewes for many years and it shows in the quality of their ewe's lambs, Brown head ewe is to come out on delivery. Younger sister in same sale, a must to consider.
