Health Declaration	A National Sheep Health Declaration will be provided at Delivery AT BUYER REQUEST		
JD Approved Vaccinates	Sheep are not JD Approved Vaccinates.		
Other JD Management	JBAS		
Vendor Comments	This is the second draft of wether lambs as part of annual turn off.		
Assessor Comments	The second draft out of 620 wether lambs with performance breeding on their side. These lambs are bred from classed Greenfields Poll Merino Blood SA ewes and sired by high grade Greenfields rams. The Chapman sheep are renowned for their big frame scores and big weights in SA when their merino lambs are grown out so these wethers are bred to perform with a bonus of high wool quality. These wethers have had a harder start to life with excessive wet weather. With dryer summer weather finally upon us these lambs are ready to push on to heavier kill weights. *NOTE* given the excessive wet weather Approx 20% of this mob have been noted having water stain or treated fly strike on shoulder or body.
