Assessor Comments	On offer is nice article of shorn July/Aug 2nd cross store lambs. Lambs have been running on improved native pastures and would be an ideal article to take onto crop. Lambs have been shorn and kept up to date with drenching. They are an ideal article to take onto heavier trade or export weights given the opportunity averaging 41kgs at assessment. Buyers please note I did take a tail out of mob before the assessment, also please be aware that at time of assessment I did not observe any Bathurst burr on lambs, however there is Bathurst burr present on property.
