Vendor Comments	Annual sale of second cross lambs.
Any Access To Rams or Stags?	To vendor's best knowledge, the female portion of this lot has had no access to rams or stags.
Assessor Comments	164 x Quality second cross lambs, all sired by the Poll Dorset rams. Averaging 40kgs at assessment. Lambs have been well shorn, and are just starting to perform. Taking it slow to get going due to an overly wet season. Lambs all boast plenty of length and frame. They are ideal for someone to put on a crop or into a grain fed situation. They will go ahead fast. Tail taken out at assessment.
