Quality Grades		Wrinkle Score	
Good	100%	Plain	100%
Assessor Comments	Nice line of English Leicester wether lambs. Since being drenched, shorn and on good feed in the last month these lambs are freshening and filling out. With the frame and depth of breeding genetics these lambs would suit a finishing fattener. They are plain of body, good frame for age XB lambs. Vendor has been selling wool from the English Leicester breed for some time now which has resulted in markets paying \$15 per kg for his wool product.
