Vendor Comments	First stage of Delkara sheep dispersal.		
Joining Details	Not Station Mated		
Any Access To Rams or Stags?	To vendor's best knowledge, this lot has had no access to rams or stags.		
Assessor Comments	The first stage of the dalkara sheep dispersal sale. An excellent line of spring drop merino ewe lambs. Lambs will grow into excellent wool cutting sheep with the vendor having a focus on bright white, stylish wool. As mature sheep, they will grow into medium frame ewes with the flock cutting an average of 4.5kg and 16.5 micron. I believe these ewes would be a great addition to any wool producer.
