Any Access To Rams or Stags?	To vendor's best knowledge, the female portion of this lot has had no access to rams or stags.		
Assessor Comments	Neat line of mixed sex store lambs that are in a forward store condition. These lambs have time on there side being a Sept-Oct Drop. All the work has been done, with the lambs being shorn and ready to either go out onto the pasture of your choice or are a great feedlot entry weight. The lambs are showing a nice stretchy frame and good deep bone. Lambs will grow into an export weight lamb. All lambs have been through the scales and the tail has been removed.
