Assessor Comments	3 - 3 1/2 year old merino ewes wrapped up in a good skin (full wool), with 126 marked white suffolk (8 marked at assessment) LAF (odd lamb with tail still attached from marking). Ewes are doing a good job on the lambs and are in lighter condition due to that, ewes have been depastured with white suffolk rams from 9/11 until 18/12. Some ewes and odd lamb showing some stain on breach. Opportunity to secure a line of ewes in the prime of there lives, majority with a lamb at foot, a big skin and been running with rams.
