Assessor Comments	On offer is the stud Border Leicester ewes of the ' Waterfalls ' property. This stud which is ' Hill tops ' & ' Womboota ' based blood was established back in 2015 by Michael rowan, which now has regular repeat buyers coming back annually purchasing rams. These stud ewes are only being offered due to change in farming operation and would suit a keen enthusiast to take the operation on. Please note this same vendor has ewe and ram lambs being offered in this same sale.
