| Assessor Comments                                      | On offer is the stud Border Leicester Ram lambs of the ' Waterfalls ' property. This stud which is ' Hill tops ' & ' Womboota ' based blood was established back in 2015 by Michael rowan, which now has regular repeat buyers coming back annually purchasing rams. These stud Ram lambs are only being offered due to change in farming operation and would suit a keen enthusiast to take the operation on. Please note this same vendor has 2 other lots in this same sale. |
