Assessor Comments	A very good opportunity to purchase a quality line of White Dorper X Wiltipoll future breeder Ewe Lambs, presenting in prime condition with all their life ahead of them. These Ewe lambs were bred out of Wiltipoll Ewes by a White Dorper Ram. Feb/March 2021 drop, these Ewe Lambs show good shape and frame for their age, good shedding abilities and are ready to join now. This is a complete drop for their age group, paddock weaned and are running on improved pastures. A very small tail was removed at assessment. Can recommend.
