Assessor Comments	An Outstanding line of 1st Cross Ewe lambs presenting in forward condition. Ewes show good breed composition depth and length all the way through. Proven performers year in year out with high fertility and doing ability. Opportunity to secure the whole drop as vendor doesn't retain any cross breed breeders. Please note 450 in the mob and ewes will be sold as run out the gate. 18 Ewes have been treated for Fly due to the latest weather conditions we have been experiencing prior to been Clicked.
