	Good	100%	Plain	100%
Assessor Comments	Good quality 1st BL/Mer x ewes Sept 2017 drop that have two more joining's, good percentages and ease of lambing that await the new owner. Ewes were purchased from New England as lambs in 2018 and have been profitable sheep since arriving. Ewes are moderately framed and easy to feed, will produce good trade lambs that can finish in the wool, and shear a pelt that will net you a return. A real feature is just how sound these sheep are in the feet, no bath on property. If the 460 offered won't fit comfortably on 4 decks some sheep can be left behind.
