Vendor Comments	These Ewes were specifically selected and purchased as lambs to grow out to a 1 1/2 year old breeder ready to join.
Joining Details	Not Station Mated
Any Access To Rams or Stags?	To vendor's best knowledge, this lot has had no access to rams or stags.
Assessor Comments	These 180 1st BL/Mer X Ewes are a Aug/Sep 2020 drop. They were purchased Ex Condobolin last autumn as vendor bred lambs and are out of Haddon Rig & Lach River Ewes by Tallbragar BL Rams. They are Gudair vaccinated, October shorn, drenched with Q Drench and were Jetted with Jetaway last week to keep the flies away. Ewes starting to get a bit of stain and could do with a little crutch at some point. Note these Ewes only a spring drop & have had a tough wet winter and are now on the do and will continue to grow. These ewes are in great joining condition and are ready for the ram of your choice. Vendor has 2 other lots of ewes in sale to make a total of 652 young ewes.
