| Assessor Comments            | Outstanding line of 1st Cross ewe lambs, The vendor has decide to sell now to free up feed for other stock instead of mating up and selling SIL. These ewes are showing great growth for age and are on the do since shearing. They are bred out of genuine large frame Yorke Peninsula North Cowie Bld ewes and sired by Glencorrie & Coolawang Borders. I have no doubt these ewes will continue to grow into large frame 1st cross ewes. NOTE: These ewe lambs can be tied in on a truck heading to Dublin to help with freight at the purchasers expense. (Approx \$2.50-\$2.80 per hd to get them to Dublin) |            |                      |
