Assessor Comments	A vendor bred line of 11 Poll Hereford steer weaners that are sired by Wirruna K74 who was the top price bull at the 2018 Wirruna Autumn Bull sale, Injemira M161 and Kanimbla Carbine M033. The steers mothers are large framed Poll Herefords cows being based on ex stud cows from Chandivan and Mt Hope bloodlines. These steers are showing plenty of bone, shape and softness and would be ideal cattle to turn out and grown into either feeder weight steers or put onto feed for the domestic market. The steers were yard weaned, drenched, vaccinated with piliguard, 7in1 and Multimin. Grassfed only & Antibiotic Free
