Handled With	Steers were very good to handle through the yards & crush with only one steer getting slightly agitated while on the scales. They have been well educated during the weaning process and are borderline docile. Bikes , Dogs , On foot , Vehicles
Assessor Comments	An opportunity to acquire steers of this quality don't come around every day. 21 Angus steers sired by current Rennylea Angus herd sires out of ex Rennylea Angus stud cows. At only 7-9 months of age these steers are showing exceptional weight for age 380kg at assessment ranging from 357-436kg. They have had all their treatments at weaning and are ready to steam ahead on fresh feed. They are ideal steers to grow out to heavy feeder weights or to carry out to heavy bullocks next Spring. Opportunity to put together 42 vendor bred Rennylea Angus blood steers in this sale with another 21 steers 299-354kg available in this sale. Buyers please note if PCAS eligibility is required one steer in this lot has been treated with antibiotics and will be removed at delivery on request. One steer noted at assessment with a white underbelly to his brisket.
