Temperament not assessed in
Paddock

Large portion of the steers are a little stirry, easy to handle and draft. At no point were any unsettled with close contact. These steers will settle once handled correctly, this is not in the breeding, just not handled a lot in the last 4 months due to personal reasons of the Vendor.

Assessor Comments

The Becke Family will offer 40 Angus Steers that are bred from a quality cow herd using high performing Angus sires from reputable studs. Nice line of feeder steers that are in ideal condition to gain weight quickly. All of these steers were weighed under 415 kgs at assessment to average 377kgs full. All steers will be re-weighed prior to delivery to ensure in correct weight bracket. Please note another 43 Angus steers at 435kgs off 'Burradoo' in same same.
