Handled With	Very easy steers to handle. Been through the yards a number of times and led straight up the race without hassle. All stood quietly in the crush and exiting sensibly. A little bit nervous being followed around the holding paddock for photos, just wanting to move away from the pressure and hide in the corner.

Assessor Comments	Small but stylish line of young steers to take on. Soft fleshing, easy doing style cattle with plenty of stand up & stacks of length. Versatile lot of steers that could continue on pastures as a Grass fed export body or start now on a feed ration to be a short term investment. Quiet enough for a hobby farmer or add to part of a bigger operation. Please see photos & video for full contentment.
