Assessor Comments	A line of 14 NSM Angus heifers that would make excellent breeding females. The heifers were purchased as weaners ex		

Swan Hill and have since powered ahead and are now ready to join to the bull of your choice. The heifers are displaying plenty of bone, shape and growth while still retaining that softness and doing ability that we all look for in our females. The heifers were drenched and 7 in 1 back in May this year. Please take note 1 heifer has an wart on her belly (refer to photos).
