Temperament	Yards Crush Paddock Quiet: 7 head Quiet: 7 head Quiet: 7 head
Handled With	Bikes , On foot
Assessor Comments	A nice line of Holstein steers that have grown well and are showing good frame. These steers were purchased from a local dairy farm as bobby calves and bucket reared before being weaned onto grass, pellets and hay. The vendor has given the steers all the health treatments and they are ready to put away and grow. Note 1 calf with slight pink eye observed at assessment (see pictures). Vendor has the brothers to these in the same sale.
