	Fractious young calves, that haven't spent a lot of time away from their mother. Despite their anxiety, none showed any					

Handled With	signs of aggression during the drafting or weighing process. Just a bit nervous, wanting to rush through gateways and getting claustrophobic in the crush. Will benefit & certainly improve from further handling & education. Bikes , On foot , Vehicles
Assessor Comments	Very smart line of steers that tick all the boxes. Tops of their drop and outstanding bodies in every way. Outstanding length, Muscle & softness. Steers that have always stood in the first pen of Vealers at the fat market & first lane of Euro's at the Store Sale. Sought after annually by repeat buyers for their performance across all markets. A pen of steers that could go any direction, Grass or Grain, Tuck away & grow out to Bullocks, start now on a feed ration or head straight to the knife. Buyers please Note. Calves weaned at assessment, please consider this in your adjustments. See photos & video for full contentment.
