Assessor Comments	Well bred young steers in healthy condition and on the do. Plenty of scope & all the right attributes to take on and grow out to Bullock weight. Structurally correct with plenty of length & style about them. Still needing a bit of handling, but with some further education, it wouldn't take much to be suitable for a hobby farm operation. Buyers Please note. One steer presented with an eye blemish. Calves weaned at assessment, please consider this in your adjustments.
