	Young Heifers that have very little handling pre weaning. Quite sensible in the yards, just wanting to get away from the pressure.		
Handled With	Bikes , On foot , Vehicles		
Assessor Comments	Well bred young heifers in healthy condition and on the do. Heifers with all the right attributes to take on and grow out to supermarket or export weights. Quiet enough young females to be a potential hobby farm investment or suit to top up numbers. Structurally correct with plenty of length & style about them. Buyers Please note. Calves weaned at assessment, please consider this in your adjustments.
