	Cattle were very good to draft and handle throughout the yards, walked over the scales without any hassle. Odd steer showed a little run when under pressure but not at all deemed to be mad					
Handled With	Bikes , Vehicles					
Assessor Comments	An excellent line of Poll Hereford steers that would be ideal to feed or grow out as bullocks. Showing plenty of shape and bone these steers are really going ahead. NB, there are 4 Black Baldy steers in lot and one with a slight old pink eye scar that is not detrimental.
