Assessor Comments	A nice line of Feb drop friesland steers. These steers have been very well reared and are out of outstanding large framed friesland cows. Sired by top end Ai bulls, they are bred to perform. These steers are ideal to take through to feeder steers or will make outstanding bullocks. Note two steers have one testicle and have been left unmarked but can be marked prior to delivery. Also these steers have a small amount of ring worm. Please note same vendor has one other lot of 27 friesland steers in same sale.
