Assessor Comments	86 Angus & Angus/Hereford heifers. Woakwine Station have done an outstanding job on these 16-18 month old heifers presenting in forward/Store condition. Weighing 428.3kg at delivery being the perfect weight to do as you please with them. A small percentage of heifers are showing a small amount of warts around the head and neck area. There were also a small amount of heifers with slight eye scaring but is not deemed to be detrimental to their health.
