Assessor Comments	84 Angus Steers. Woakwine Station have done an outstanding job on these 14-18 month old steers presenting in forward/Store condition. Weighing 438.6kg at delivery being the perfect weight to go either way with them. A small percentage of steers are showing a small amount of warts around the head and neck area. There were also a small amount or steers with slight eye scaring but is not deemed to be detrimental to their health.
