Temperament	Yards		Crush		Paddock	
	Quiet: 18 head Slightly Stirry: 2 head		Quiet: 16 head Slightly Stirry: 3 head Stirry: 1 head		Quiet: 20 head	
Handled With	Working steers through the yard generally were quiet. While putting through crush several steers got slightly stirry. Out in holding paddock we were able to walk around taking photos and video with ease.					
	Vehicles					
Assessor Comments	A line of 20 light feeder steers brought in to back ground. Steers showing plenty of stretch and growth. Ready to put out into the paddock to grow into heavy steers or put into a feedlot situation. Please note steers had a 18 hour curfew before assessment. Same vendor has a line of PTIC heifers in Eastern States sale today. The photos and video are of a complete mob of mix sexes and will appear on both assessment .
