Assessor Comments	Buyers- a tidy 6 deck offering of aged Brahman Cows and Calves, these cows stand on very good frame, have plenty on bone and length and are very tidy in the udders for older cows. These units would be ideal turn over cows or top up numbers for existing breeders going on to good feed i believe there is still 2 breeding seasons in these cows. These cows were free moving through the yards when assessing however some cows did become stirry and aggressive when pressure was applied in a confined area. The Calves comprised of 41 branded males and 41 branded females. These cows are doing a very good job of there calves Cows were jig joggy in yards when getting photos etc. These are in a tick area but are guaranteed to clean country with the only stipulation that interstate buyers pay the cost of a plunge dip at the clearing dip. If you are confused in any way, please call either assessor or delivery, Buyer not; 5 cows with stumpy tails/no brush, 8 cows with fly bite and 3 cows with hip offs.
