Assessor Comments	Buyers, on offer are 7 x 7 good quality cow/calf units that would ideally suit someone looking to restock and build numbers, or to split units and fatten cows. Cows present in store condition, allowing plenty of compensatory weight gain given the grazing conditions to go onto. Cows are doing a great job on calves as you will see in photos and videos. Buyers please note 1 cow has a capped hip and one cow with fly rub around eyes at time of assessment. Also noted as assessment buffalo fly was present on the cattle. This is your chance to secure 7 x 7 good quality cow & calf units.
