Assessor Comments	Attention buyers, on offer 25 X 25 cows and calves. These units are made up of mostly young cows, with a fair percentage of number #8s. All cows are forward store condition and doing a very good job on their calves and would suit a restocker or fattener to split. These units will have been Dipped before sale date and can be cleared on farm if going to the clean at Vendors Expense. Cows were quiet to handle through the yards at assessment. An opportunity to purchase good young cows and calves that will go ahead.
