The cows worked easily through the yards and crush. A couple took offence to being mouthed in the head bail but were fine once let out.

| Assessor Comments | Here is a great opportunity to add to the herd or purchase to trade this nice deck of Cows and calves. The majority of the cows have a heap more breeding left in them as age is on their side! They have not had the opportunity with a bull again so you will be able to now put with them the bull of your choice! Most of the calves are of Hereford type, so a nice little line of calves will be able to be presented to sell in the future also. There is 8 Heifer Calves & 6 Bull calves (unbranded) **Please Note** There is a few with slight Blueing of the eye/old blight** There is also one extra Cow in the video that did not have a calf that was pulled out.** |
