Assessor Comments: A small line of mostly good to very good quality heifers and cows with one fair quality. Mostly vendor bred using own Kerron Belmont Red genetics. They have been station mated. They are mostly large frame and doing a good job rearing the calves. Three are heifers on their first calf, three are on their second calf. There was some buffalo fly noted on the cows, the vendor will treat with CattleGuard prior to delivery - nil WHP and nil ESI. Please note the calves are unbranded, bull calves not castrated.
