Assessor Comments	2 x 2 Speckle Park Heifers with speckled park steer calves weighing 178 and 187kg. Hfrs are very well grown and well bred. One hfr was a little runny in yard. Hfrs have been running on granite country and should do well for potential buyer. Only reason hfrs are being sold as vendor lost agistment paddock and is a regretful sale.**Please Note** Vendor has another lot in the sale.
