Temperament

Yards	Crush	Paddock
Quiet: 10 head	Quiet: 9 head Slightly Stirry: 1 head	Temperament not assessed in Paddock

Heifers were excellent were handle in all areas of the yards and considered quiet. One heifer got her head caught under

	the head bail and did take some effort to get her removed so as a result she did play up quite bit. She had calmed down by the time I photographed her though.
Handled With	Bikes
Assessor Comments	Buyers these are just a few with an old Hereford influence in them that were purchased with the straight blacks at the time. These are equally just as good in quality and if a purchaser isn't fussed about having the odd heifer with a bit of cross they could also be purchased with the straight Angus lines. Just the odd heifer with a wart but no issues here.
