Handled With	Bikes , Dogs
Assessor Comments	A nice line of rising 3 year old Angus cows that have been carried over to a spring calving. Young cows that could be added into a breeding program. The cows are from a Shorthorn base with only Angus bulls being used for over 15 years. There are still some cows that are showing a slight Shorthorn influence despite the years of Angus bulls. Please note only 9 of the 10 were handled in the yards as the other heifer was in another mob.
