This yearling bull was a pleasure to handle right throughout the weighing, drafting and photography process. At no stage did the bull show any signs of agitation. Danson Family pride themselves on being very selective on temperament as they cull very hard.

Assessor Comments: A commercial vendor Bred "Pibbon" Red Angus yearling bull presenting in forward/store condition that the Danson family selected for its quality genetics, quiet temperament & high performance traits. This Yearling bull unfortunately did not have

	the the bloodlines that the Pharo cattle company criteria upholds but the Danson family believed the traits that it examines was to good for the bull to be castrated and thought that he would be beneficial for any future commercial herd. The bull shows great low birthweight attributes and with the Australian herd in recovery it would be ideal to join to heifers in future. The Bull will be reserved at a bit over fat value. BUY WITH CONFIDENCE.
