Assessor Comments: Outstanding line of Millah Murrah / Texas Angus blood heifers PTIC to low birth weight Millah Murrah blood bull Clift Kingdom R36 (BWT:2+2) by JT Angus. These heifers combine the genetics of two of the mostly highly respected Angus studs in Australia showing in their growth, frame and quality. Purchased from AuctionsPlus last year, these heifers are well grown out and have been estrous synchronised which will ensure a tight calving window. Clift Kingdom R36 was selected for his phenotype and a particular focus on his low birth weight (BWT +2.2) for buyer confidence. These heifers are quiet and easy to handle and present as a unique opportunity to secure a tight line of superior genetics.
