Assessor Comments	A rare opportunity to secure a small line of young black baldy females with plenty of weight for age. These heifers are in ideal condition for calving and have been joined to a LBW Millah Murrah blood bull. Clift Kingdom R36 was selected for his phenotype and a particular focus on his low birth weight (BWT +2.2) for buyer confidence and should calve in a tight window as they where PG when bull was put with them. These heifers are easy to handle and will be an asset to any breeding operation. NOTE - Vendor offering multiple lots in sale NOTE: one heifer showing slight Bos Indicus type navel
