Assessor Comments	A nice line of Angus/ Hereford young cows mostly 2nd or 3rd calvers doing a great job on there calves. Cows have been running back to Angus sires and present a great opportunity to secure a young line of baldy cows with good fresh calves at foot. Calves are unmarked and have been identified to the cows with a purple tag. Please note (2) Cows had pink eye, (2) calves had first stage of pink eye and will still be active on delivery. Please see attached documents.
