Quiet: 25 head	Quiet: 18 head Slightly Stirry: 7 head	Temperament not assessed in Paddock

Heifers were outstanding to handle with in large yards and in confined spaces. They have had plenty of handling since purchase and this shows in the docility of the cattle. The odd heifer was slightly stressed in the weighbox.

Handled With: Bikes , Dogs , Horses

Assessor Comments: A quality line of Angus heifers PTIC to LBW Booroomooka & Isla Angus bulls. These heifers were joined to be retained by

	the vendor but due to a property purchase not eventuating the heifers are being offered for sale. Heifers show great growth for age and will make outstanding matrons in the future. Please note: There is a run of 122 of these heifers being offered as a run out the gate in deck lots.
