An excellent mob of station bred cows to handle. Were easy to work around yards. Absolutely no fuss through entire process

Handled With	Dogs , Horses , Vehicles

Assessor Comments	A small mob of Angus cows and calves just out of line with main line. Very well handled and educated were a pleasure to work with. The station has been on Lawson and Paringa Angus bloodlines for some time and are in calf to same. Cows of a quality, type and temperament that you would be happy to drop into just about any breeding operation. Please note only two deck access to property.
