Outstanding heifers and calves to handle in the yards. Very quiet.

Handled With	Bikes
Assessor Comments	A outstanding line of Shorthorn heifers and calves that have had a 8 week joining back to a black Simmental bull. These heifers are mostly large framed, extremely quiet and are doing a outstanding job on their 1st calf, their calves are by the same black Simmental bull, average 222kg and would make outstanding vealers. These heifers given the right opportunity will grow out to be big cows with plenty of milk. These heifers and calves come highly recommended and will be outstanding breeders for years to come.
