Assessor Comments	A very good line of Shorthorn cows and calves. There are 3 cows that are sound mouth and were bought off a local stud and 3 heifers on their 1st calf. These cows are large frame and look to have plenty of milk to do a great job on their calves. These cows have been running with a Angus bull since calving. These young cows would make a great addition to any breeding herd. Please note same vendor has another lot of heifers and calves in the same sale.
