These cows were easy to handle through the yards and flowed very well. One cow has previously jumped a smaller rail however this was not an issue at assessment. Purchase with confidence.

Handled With	Bikes , On foot , Vehicles
Assessor Comments	On offer is three outstanding PTIC Charolais Cows with Charolais X Calves at foot. These are genuine 3 in 1 units. These females were purchased A/c Breeder as weaner heifers and have grown into superb cows showing all the best traits of the Charolais breed; presenting with plenty of frame, volume and muscle. Bred out of Stud Rosedale Cows by the Rosedale bull, this is a terrific opportunity to add the very best Charolais genetics to any herd. The Simmental X calves at foot are showing tremendous growth for age and if given the opportunity will suit all markets. The cows are PTIC for a July calving to the Wombat Hills Simmental Bull. Buyers please note one cow has a vaccination lump on her neck and has done since they were purchased, not deemed detrimental. Buyers purchase with confidence !!!!
