Assessor Comments An outstanding opportunity to purchase Vendor bred High quality Angus females joined to Joe Grose Wagyu Bulls. These heifers are scanned in calf from 8 to 10 weeks. Very good cattle to handle and have a great history of progeny performance. The odd heifer has a small bit of white on the udder. One heifer noticed with a small amount of warts. The odd blue eye was noticed at assessment but not considered detrimental. 71 in the draft - sold in two lots (25 & 46 hd) - run at the gate. Bull prefixes listed as an attachment. ** VENDOR HAS MULTIPLE LOTS THIS SALE**
