Heifers that handled an absolute treat. Very placid natured in general, backed by a very good & consistent education. All heifers walked through the yards calmly & quietly. They are caught in multiple crushes throughout the race, teaching them to exit each one calmly & steadily. 2 Heifers slightly nervous in the scales with a handler standing right next to them, 1 heifer with a little bit of trot in the back yard, these 3 were listed above as slightly stirry.

Assessor Comments	Long, deep, maternal bodied Females with very pretty heads & good width between their eyes. These females carry all the desired traits you look for when selecting breeders. With not long to go until these females commence calving, these girls are in ideal, healthy condition to take on and calve with a beautiful shine bouncing off their backs without being overly fat. This line of females represent the families complete drop of 2020 drop heifers, a tough decision made after deciding to let these females go and expand the cropping operation for the 2022 season. Depastured to one of Tabletop Angus' top quality retained bulls. These are magnificent Heifers that come with the agents highest recommendation. Buyers please note. 7 heifers present with white flanks and one with small warts.
