Assessor Comments	Great line of 7 By 7 ANGUS CROSS F1 HEIFERS with Sappy Calves These heifers are doing a terrific job at their first angus calf, putting everything in to their young calves. Very nice units to take on and rejoin. Calves are all full of vigor and condition & being very well looked after, and all heifers are carrying even, healthy bags of milk. These young mothers have their lives in front of them and present an opportunity to put back with the Bull of your choice and produce some cracking vealers long term.
