Temperament

Yards	Crush	Paddock
Quiet: 12 head Slightly Stirry: 6 head	Quiet: 9 head Slightly Stirry: 7 head Stirry: 2 head	Temperament not assessed in Paddock

Heifers were a bit flighty in the yards after having a very long day, mustering in the early hours of the morning, trucked to another property, then weighed directly off the truck. All were quite sensible considering, and none showed any signs of aggression, just a few anxious ones that stirred the rest up. Much more settled in the race and crush where they had to think a bit more. Just needing a bit more quiet handling.
